

Record of Placement Hours Sept 24 cohort – HEALTH VISITOR

This is for *optional* use by the Practice Supervisor / Practice Assessor

If a Practice Assessor or Practice Supervisor would find it helpful, you can use the table below to keep a record of days undertaken in placement, Public Health Days completed, any swapped placement days and any sick time.

This can be used to have a quick paper record to review and is in addition to the record of hours / days apprentices need to keep on Smart Assessor
